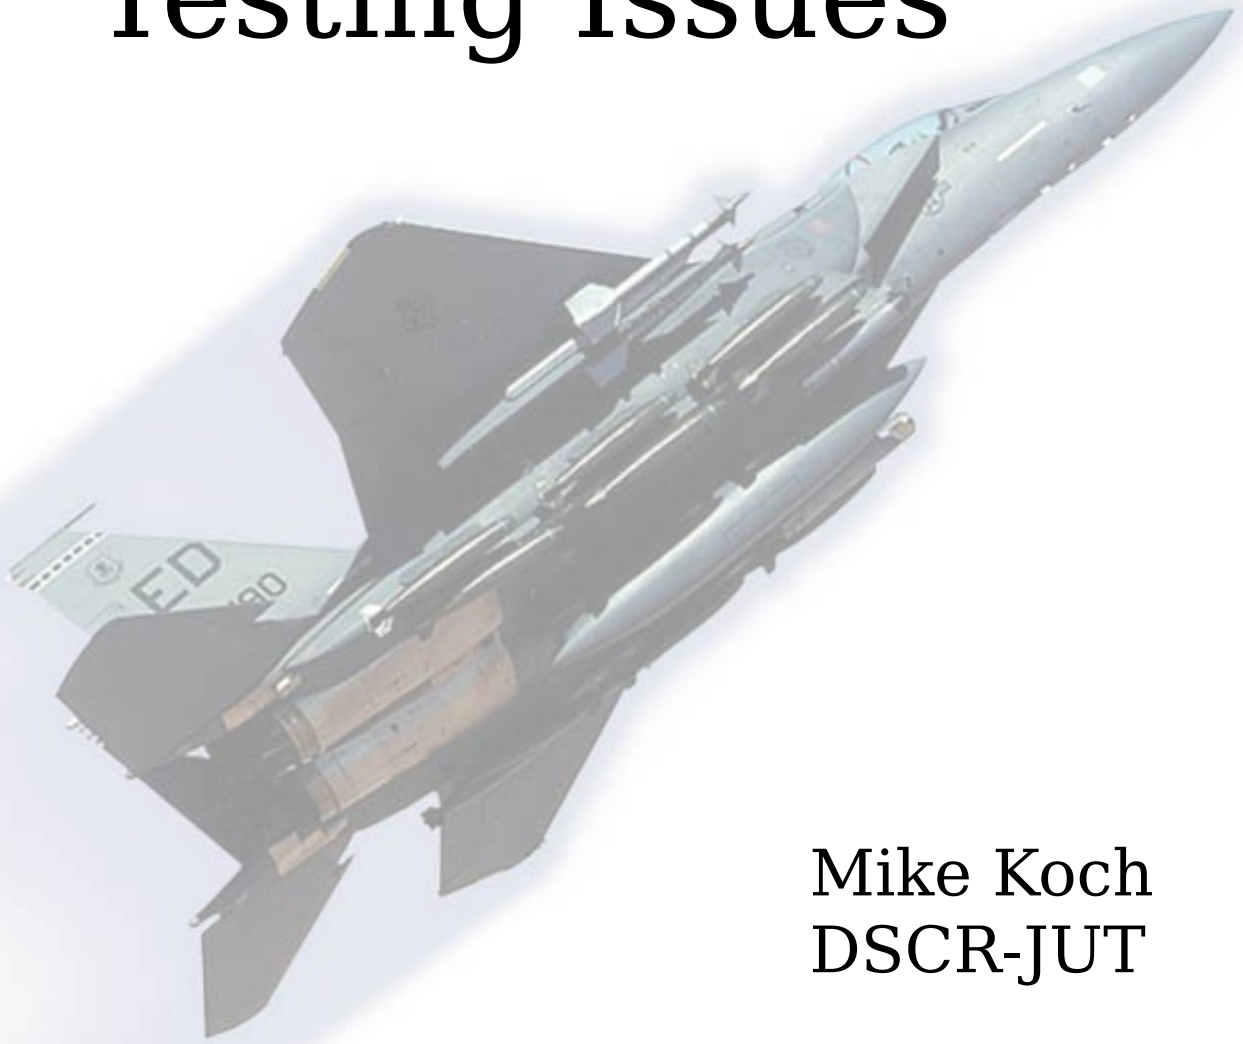
Concerns

- Delinquencies
- ABVS
- Deviations/Waivers
- Accelerations
- FAT disapprovals

Government First Article Testing Issues



Mike Koch
DSCR-JUT

First-Look Issues

- **Missing DD-250**
- **Unsigned DD-250**
- **Missing/Incomplete Certificatio**

After Inspection/Test Issues

- **Incomplete Certifications**
- **Dimensional Non-Conformances**

Recommendations

- **Check paperwork before shipment & check again**
- **Verify that you have <u>all</u> material and process certifications referenced in the data package**
- **Provide current and traceable certifications**
- **Keep actual inspection results of fat sample**

Miscellaneous

- **New DD-250 Process (Wide Area Workflow – Receipt and Acceptance)**
- **Provide missing documentation in a timely fashion**
